

Marketing & Sales Intern (full/part-time)

Recently celebrating 30 years in business, Assai is a successful, medium-sized software company currently going through a period of rapid growth. We have developed a successful application, AssaiDCMS, a Document Control and Management System specialised in supporting complex engineering and construction projects for industries including energy, oil & gas, transportation, infrastructure, and mining. Our application is used by customers around the world including in Europe, North America, the Middle East, West Africa, South East Asia, China, and Australia.

Our fast-paced office environment in Culemborg is characterised by a high-energy culture and a good team-spirit. We are looking for an intern to join our Marketing & Sales team in Culemborg (near Utrecht), to help support our global marketing and sales campaign execution.

What you'll do

This internship will give you an opportunity to develop your skills in Marketing and Sales. With our support combined with your enthusiasm much can be achieved on both sides. Some of the activities you may be involved with include:

- Assisting with the roll out of new company branding.
- Market and competitor research.
- Administrative sales support.
- Assisting with CS management.
- Marketing plan input.

Basic qualifications

- Currently enrolled or graduated in the last 6 months in a Masters or Bachelors degree.
- Availability to work at least 6 months in 2021 starting in September.
- Working rights in the Netherlands.
- A basic understanding of the software/SaaS industry.
- Ability to use communication skills and situational awareness to clearly deliver information to a variety of audiences.
- Good planning and organisation skills.
- Ability to optimally resolve issues that involve people, things, and processes by using logic and common sense.
- Taking time to build helpful relationships, earning the trust of others within the organisation through strong situational awareness and reliability.
- Proactive and can-do attitude, a respect for others, and ability to work well in a team.
- A good understanding of how the web works and the technologies that underpin it.
- Ability to multitask and work in a fast-paced environment.
- Fluent in English, both spoken and written.
- Proficient in using MS Office (Outlook, PowerPoint, Word, Excel)
- Most and foremost – eager to learn something new!

Our offer

- 40 working hours per week – negotiable;
- Work location: Culemborg, near Utrecht (very well connected to public transport);
- Standard compensation for an internship;
- Preferable starting date: 1 September 2021.

Interested? We are looking forward to receiving your application!
